BERGERAC WINE HOLDINGS PLC. – Agreed terms on a Montravel chateau acquisition

Bergerac Wine Holdings PLC, a UK company, is pleased to announce that it has agreed acquisition terms with SAFER and the owners of a chateau in the Montravel appellation (SAFER - Sociétés d'Aménagement Foncier et d'Établissement Rural, for rural land development and settlement. The SAFER are non-profit making companies controlled by the government through the ministries of Agriculture and Finance).

This beautiful chateau, dating from the 1700's, with 20 hectares of producing award-winning wines on a 33-hectare site, will be augmented with an additional land parcel in the vicinity. Plans are being drawn up for a luxury wine hotel conversion, with sculpture gardens (working with Ambassade d'Art), to upgrade this property as part of the strategy to stimulate wine tourism.
